Bill—

Our timeline on production is dependent on the Court's decision on the attorney fee motion, so we should have a better idea following that decision.

Additionally, I am attaching my signature page for the Protective Order in this matter. I know that opposing counsel were waiting to receive this before producing the Silver defendants' requested discovery.

Thanks,
Matt

Ben,

In light of the upcoming hearing, please let us know when we can expect to actually receive the documents your clients' responses indicate will be produced.
